Sale Wednesday, May 5, 1920  
on Farm Five Miles South of Atlantic  
Hopley Stock Farm, Atlantic, Iowa

Village Beau Heifers Included in This Sale.

## A GREAT LOT OF CATTLE

By all odds this is the greatest consignment of Shorthorns yet listed for a public sale by the Hopley Stock Farm. This collection of seventy head I am sure will please the man in search of the best blood and merit of the Villager tribe; he will have an opportunity to see some young bulls by Village Beau that are specially promising, and a string of females that only such a herd is capable of selling. The heifers by Village Beau are an outstanding contribution, the best that he has ever sired, and their qualities of form and character, and their rich pedigrees will appeal to discriminating cattlemen. In addition to this great string of heifers is a magnificent array of breeding matrons with calves by Village Beau or bred to him, and I venture the prediction that when these cattle are seen that no man, no matter what his ideals are as to what constitutes a true Shorthorn, will leave this sale ring unsatisfied. From any point of view these Shorthorns will measure up to standard requirements, in the purity of their ancestry, and in representing a standard of individuality that is everywhere accepted as the best. The Villager-bred Shorthorn is widely popular today and it is such bulls as Village Beau that will increase its popularity. Those who buy Shorthorns of such lineage are on the right track, they are headed straight for success.

FRANCIS T. MARTIN,  
*With The Breeder's Gazette.*

## TERMS AND CONDITIONS OF SALE

Atlantic is on the main line of the C., R. I. & P. Railroad, sixty miles east of Omaha and eighty miles west of Des Moines. Good railroad connections both before and after the sale.

## GUARANTEE

We believe all animals in the catalog to be breeders. Cows sold with calves at foot or showing safe in calf are considered breeders, and no further guarantee on same; but cows lately bred and open heifers must be producers, but on failure to breed may be returned to us at purchaser's expense, and should such animal fail to breed after six months' trial an animal of equal value will be given in its place. Bulls are guaranteed breeders when properly cared for and not allowed to run with the herd. Should any fail to breed he must be returned to us and another of equal value will be given in exchange. Complaints must be filed within six months from date of sale. All animals have passed the tuberculin test and are sold with privilege of sixty-day retest from date of sale, provided they are kept segregated.

## TERMS

Cash. All animals at buyer's risk as soon as bid off. All animals will be cared for and loaded on cars free of charge.

## AUCTIONEERS

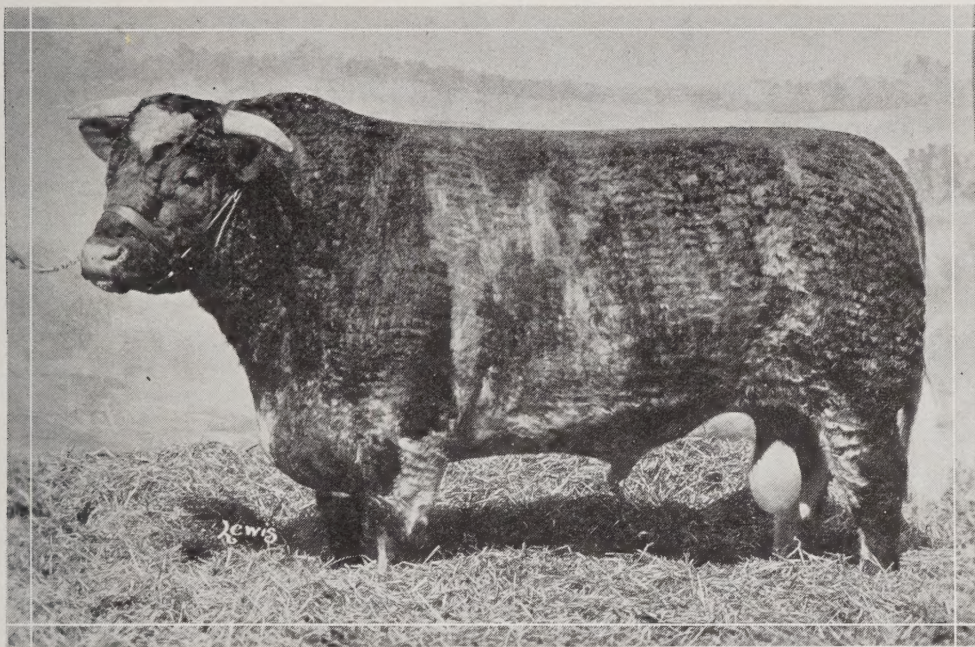

Cols. N. G. Kraschel, John Halsey and Scotty Milne.
